FINANCE DEPARTMENT

Audit

RESOLUTION

No. 3898F.—20th August 1963.—In the Finance Department Resolution No. 1357-F., dated the 19th April 1963, a Committee was set up for advising the State Government regarding the preparation of a correct almanac for West Bengal, under the Chairmanship of the Hon'ble Shri Justice Prasanta Behari Mukharji, Judge of the High Court, Calcutta. The Committee submitted their recommendations on the 28th June 1963. The recommendations of the Committee are as follows:—

(i) For the purpose of preparation of a correct almanac it is desirable to adopt the principles of the calculations of Tithis according to those mentioned in Surya Siddhanta. But if in the calculations and the principles of Surya Siddhanta any fault is found and proved, then such fault should be corrected according to the subsequent authorities in our country. That means these corrective principles will include all sources of knowledge including on the side of science, modern astronomy, standard ephemeris and celestial dynamics, as well as on the side of the Hindu Shastras, their great works on this subject including Surya Siddhanta, and subsequent Shastric authorities prevailing in the country including such principles as Banabriddhi Rasakshaya and their criticisms;

(ii) This correct almanac should be based on the Nirayana calculations of the year;

(iii) A Standing Panel of Advisers should be entrusted with the work of preparing the tables and calculations every year and to advise the Government of West Bengal, and their tables and calculations should be made available by the Government of West Bengal to the different almanac makers in West Bengal for checking and, if necessary, correcting their calculations accordingly. This is the best method for avoiding all possible chances of miscalculation in any particular year. This Standing Panel of Advisers of the Government of West Bengal should

be a representative panel including not only pandits, scholars, astrologers, almanac experts and Smriti pandits but also scientists, mathematicians and astronomers so that the results in the shape of tables and calculations every year may have the sanction and imprimatur of all possible authority on the subject of calculation. The Government of West Bengal should have power to co-opt as well as to fill any vacancy in this Panel caused by death, inability or other reason, keeping always in view the representative character of the Standing Panel of Advisers to command general acceptance;

(iv)(a) The length of a RASHI should correspond to changes of 30° of Nirayana Sun;

(b) The Nakshatras should be on the basis of 13° 20′ of Nirayana Sun. The first Nakshatra should start from the first point of Mesa Rashi;

(c) When the true sun crosses this point of demarcation the solar month will start;

(d) The Ayanamsa should be determined after fixing the first point of Brisha Rashi of the current year 1370 B.S. at the mean values of Samkranti, I.S.T. 2 hours 50 minutes on May 15, 1963;

(e) Tithiman—Differences between the longitudes of true sun and true moon—the duration of the Tithis will be on the basis of 12° of the elongation;

(f) The Government of West Bengal is advised to accept any almanac which shows the positions of the Sun, the Moon and the planets correct within the following limits of tolerance as compared with those of any standard ephemeris:

(a) longitude of the sun within 5 secs. of arc;

(b) longitude of the moon within one minute of arc;

(c) longitude of the planets within one minute of arc;

not in derogation but in supplement of the foregoing recommendations;

(vi) To maintain the prevailing and current system of year calculations on the basis of the Bengali San now that in 1370 B.S. it has been in use for more than 400 years, and also to maintain the days of the prevailing Bengali months according to their Samkrantis as determined on the principles mentioned above.

2. In the year 1963 there has been a controversy over the dates of Mahalaya, Sri Sri Durga Puja, Sri Sri Lakshmi Puja and Sri Sri Kali Puja. The dates given in two sets of Panjikas for these festivals, viz., Bisuddha Siddhanta Panjika and the Gupta Press Panjika differ by a wide margin of about one month. The State Government declared the holidays for 1963 after ascertaining through the Collectors of the districts that the large majority of the people in West Bengal are likely to celebrate these festivals according to the dates given in the Gupta Press Panjika. The Government of India declared holidays for the festivals in question on dates noted in the Indian Ephemeris and Nautical Almanac, 1963, which are the same as shown in the Bisuddha Siddhanta Panjika. The advice of the Committee was also sought on this point.

The Committee advised the Government to adhere to the list of holidays which has already been declared officially and published by the Government of West Bengal in the "Calcutta Gazette, Extraordinary", dated the 12th November 1962, for the Mahalaya, Sri Sri Durga Puja, Sri Sri Lakshmi Puja, and Sri Sri Kali Puja for the year 1370 B.S. with the direction that those who wish to observe these pujas on other dates should be given alternative leave for those days, viz., for Mahalaya on the 17th September 1963, for Sri Sri Durga Puja on September 25 to 28, 1963, for Sri Sri Lakshmi Puja on October 2, 1963, and for Sri Sri Kali Puja on October 16, 1963.

3. After careful consideration the Governor has been pleased to accept all the recommendations of the Committee:

(i) regarding the preparation of a correct almanac in future for West Bengal; and

(ii) regarding holidays for Mahalaya, Sri Sri Durga Puja, Sri Sri Lakshmi Puja, Sri Sri Kali Puja in 1963.

and to decide that—

a) a Panel of Advisers to advise the Government shall be constituted with the following Members:

(1) Sri Narayan Chandra Smritititirtha, P.O. Bhatpara, 24-Parganas,

(3) review the tables from time to time, and

(4) make all the necessary calculations every year for the drawing up of a correct almanac for West Bengal;

The Government may from time to time add to or alter the composition of or re-constitute the Panel in such a manner as they may deem fit;

(b) a Government employee should not be allowed both the sets of holidays and he should be given the option to choose between the two. DELIMITATION COMMISSION

NOTIFICATION

New Delhi, the 24th August 1963

In pursuance of sub-section (1) of section 10 of the Delimitation Commission Act, 1962, an Order made by the Delimitation Commission in respect of the determination of numbers under clause (b) of section 8 of the said Act is hereby published:

Order No. 2

In pursuance of clause (b) of section 8 of the Delimitation Commission Act, 1962, we hereby determine, on the basis of the latest census figures and having regard to the provisions of articles 170 and 332 of the Constitution, the number of seats to be assigned in the Legislative Assembly of each State and the number of seats, if any, to be reserved for the scheduled castes and for the scheduled tribes of the State.

Clause (1) of article 170 of the Constitution fixes the maximum limit of 500 and the minimum limit of 60 for the number of members to be chosen by direct election from territorial constituencies in a State. Section 8 of the Delimitation Commission Act imposes another condition which is that the total number of seats assigned to the Legislative Assembly of a State shall be an integral multiple of the number of seats in the House of the People allocated to that State.

We have by our Order No. 1 determined the number of seats to be allotted in the House of the People to each of the States. If the existing integral multiples are retained, the total number of seats to be assigned to the several Legislative Assemblies, will be as shown in the following table in which the States are listed in descending order of population.

TABLE

	Name of State	No. of seats in the House of the People	Multiple	No. of seats in the Legislative Assembly
1.	Uttar Pradesh	85	5	425
2.	Bihar	58	6	318
3.	Maharashtra	45	6	270
4.	Andhra Pradesh	41	7	287
5.	West Bengal	40	7	280
6.	Madras	39	5	195
7.	Madhya Pradesh	37	8	296
8.	Mysore	27	8	216
9.	Gujarat	24	7	168
10.	Punjab	23	7	161
11.	Rajasthan	23	8	184
12.	Orissa	20	7	140
13.	Kerala	19	7	133
14.	Assam	14	9	126

We notice that while, broadly speaking, the multiple increases as the population of the State decreases, this principle has not been uniformly followed. We have considered the desirability of changing the multiple in the case of some of the States but finally come to the conclusion that it is preferably to retain the existing multiple in all States except Madras. The Legislative Assembly of this State has at present 206 elective seats. Considering that its quota in the House of the People will for the future be reduced by two we think it proper to raise its multiple from 5 to 6 and to assign 234 seats to its Legislative Assembly. The total number of seats to be assigned to the Legislative Assembly of each of the other States will be as shown in the above table.

Next, as regards the number of seats to be reserved in each Legislative Assembly for the scheduled castes and for the scheduled tribes of the State, we have to bear in mind the provisions of article 332 of the Constitution which read as follows:—

"(1) Seats shall be reserved for the Scheduled Castes and the Scheduled Tribes, except the Scheduled Tribes in the tribal areas of Assam, in the Legislative Assembly of every State.

(2) Seats shall be reserved also for the autonomous districts in the Legislative Assembly of the State of Assam.

(3) The number of seats reserved for the Scheduled Castes or the Scheduled Tribes in the Legislative Assembly of any State under clause (1) shall bear, as nearly as may be, the same proportion to the total number of seats in the Assembly as the population of the Scheduled Castes in the State or of the Scheduled Tribes in the State or part of the State, as the case may be, in respect of which seats are so reserved, bears to the total population of the State.

(4) The number of seats reserved for an autonomous district in the Legislative Assembly of the State of Assam shall bear to the total number of seats in that Assembly a proportion not less than the population of the district bears to the total population of the State.

(5) The constituencies for the seats reserved for any autonomous district of Assam shall not comprise any area outside that district except in the case of the constituency comprising the cantonment and municipality of Shillong.

(6) No person who is not a member of a Scheduled Tribe of any autonomous district of the State of Assam shall be eligible for election to the Legislative Assembly of the State from any constituency of that district except from the constituency comprising the cantonment and municipality of Shillong."

The relevant population figures as ascertained at the last census are given in the table below:—

Draft Rules

Rules under section 45 of the West Bengal Board of Secondary Education Act, 1963, read with sub-section (2) of section 12 of the said Act providing for the procedure to be followed by the Tribunal in disputes relating to eligibility for, and manner of, election and disqualification of, members of the West Bengal Board of Secondary Education, or of any Committee or Regional Examination Council constituted by the Board.

1. In these rules, unless the context otherwise requires,—

(a) "the Act" means the West Bengal Board of Secondary Education Act, 1963 (West Bengal Act V of 1963);

(b) "agent" includes any person who, on enquiry into a petition presented under these rules, is held by the Tribunal to have acted as an agent of any candidate in connection with the election with the knowledge or consent of the candidate whether appointed by him or not;

(c) "candidate" means a person who has been or claims to have been duly nominated as a candidate at any election, and a candidate who, with the election in prospect, has held himself out as a prospective candidate, shall be deemed to have been a candidate as from the time when he began so to hold himself out;

(d) "corrupt practice" in relation to an election to the Board, to any Committee or to a Regional Examination Council, means—

(i) bribery, that is to say, any gift, or offer or promise by a cadidate or his agent or by any other person with the connivance of a candidate or his agent, of any gratification to any person whomsoever, with the object, directly or indirectly, of inducing—

(a) a person to stand or not to stand as, or to withdraw from being, a candidate at an election; or

(b) an elector to vote or refrain from voting at an election;

or as a reward to—

(a) a person for having so stood or not stood, or for having withdrawn his candidature; or

(b) an elector for having voted or refrained from voting.

Explanation: For the purposes of this clause the term "gratification" is not restricted to pecuniary gratifications or gratifications estimable in money, and it includes all forms of entertainment and all forms of employment for reward; or

(ii) undue influence, that is to say, any direct or indirect interference or attempt to interfere on the part of a candidate or his agent or of any other person with the connivance of a candidate or his agent with the free exercise of any electoral right; or

(iv) the removal or destruction of a voting paper from the polling station during polling hours by any person with the connivance of a candidate or his agent; or

(v) the publication by a candidate or his agent, or by any other person with the connivance of a candidate or his agent, of any statement of fact which is false and which he either believes to be false or does not believe to be true in relation to the personal character or conduct of any candidate, or in relation to the candidature or withdrawal of any candidate, being a statement reasonably calculated to prejudice the prospects of that candidate's election;

3. (1) A petition may be presented to the State Government by any candidate or elector on any ground.

(2) A petitioner may, if he so desires, in addition to calling in question the election of a returned candidate, claim a declaration that he himself has been duly elected, but such a declaration shall only be claimed on one or other of the following grounds, namely:

(a) that in fact the petitioner received a majority of the valid votes; or

(b) that, but for the votes obtained by the returned candidate by corrupt practices, the petitioner would have obtained a majority of the valid votes.

(2) Subject to the provisions of this rule, all applications and proceedings in connection with the petition shall be dealt with by the Tribunal.

(3) Where in respect of an election by an electoral body more petitions than one are presented, the State Government shall refer all those petitions to the same Tribunal which may at its discretion enquire into the petitions either separately or in one or more groups, as it thinks fit.

(4) If the services of the Judicial Officer constituting the Tribunal are not available for the purposes of the enquiry or if during the course of the enquiry the Judicial Officer constituting the Tribunal is unable to continue to attend thereat, the State Government shall appoint another Judicial Officer under sub-section (1) of section 12 of the Act, constituting that Tribunal and the enquiry shall re-commence before the Tribunal as so reconstituted:

Provided that the Tribunal may direct that any evidence already recorded shall remain on record, and in that case it shall not be necessary to re-examine those witnesses who have already been examined and discharged.

5. When at an enquiry into a petition the Tribunal so orders, the Advocate-General of the State, or some person acting under his instructions, shall attend and shall take such part therein as the Tribunal may direct.

6. (1) Every petition—

(a) against any returned candidate or any person nominated or appointed as a member of the Board shall be presented to the State Government within fourteen days from the date of publication in the Official Gazette of the name of such candidate or person nominated or appointed, as the case may be, as a member of the Board,

(b) against any returned candidate or any person nominated as a member of any Committee or of any Regional Examination Council shall be presented to the State Government within fourteen days from the date of publication in the Office of the Board of the name of such candidate or person nominated as a member of such Committee or Regional Examination Council:

Provided that in respect of the first elections held or first appointments or nominations made under the Act, the petition shall be presented within twenty-one days from the date of the final publications of these rules in the Official Gazette.

(2) A petition shall be deemed to have been presented to the State Government when it has been delivered, by registered post, to the Secretary to the State Government in the Education Department or to any officer appointed by the State Government in this behalf.

(3) When the last date for the presentation of a petition under this rule is a public holiday within the meaning of section 25 of the Negotiable Instruments Act, 1881 (XXVI of 1881), or has been notified by the State Government as a day to be observed as holiday in Government offices, the petition shall be considered as having been received in due time if it is presented on the next succeeding day which is neither a public holiday nor a day so notified.

7. (1) Every petition shall contain a statement in concise form of the material facts on which the petitioner relies and shall, where necessary, be divided into paragraphs numbered consecutively. It shall be signed by the petitioner and verified in the manner laid down in the Code of Civil Procedure, 1908 (Act V of 1908), for the verification of pleadings.

(2) The petition shall be accompanied by a list signed and verified in like manner setting forth full particulars of any corrupt practice which the petitioner alleges, including as full a statement as possible as to the names of the parties alleged to have committed any corrupt practice and the date and place of the commission of each such practice, and where the petition relates to the question of eligibility of any person for election as a member of the Board, of any Committee or of a Regional Examination Council or the disqualifications of any member of the Board, of any Committee or of a Regional Examination Council continuing as such member, the petition shall likewise set forth full particulars relating to such eligibility or disqualifications.

(3) The Tribunal may at any time, upon such terms as to costs or otherwise as it may direct, allow the particulars included in the said list to be amended or order such further and better particulars in regard to any matter referred to therein to be furnished as may in its opinion be necessary for the purpose of arriving at a decision.

8. When the petitioner in addition to calling in question the election of a returned candidate, claims a declaration that he himself has been duly elected, he shall join as opposite party all other candidates who were nominated at the election.

9. At the time of presentation of the petition, the petitioner shall enclose with the petition a Government treasury receipt (chalan) showing that a deposit of one thousand rupees has been made by him, either in a treasury or in the Reserve Bank of India, in favour of the Secretary to the Government of West Bengal in the Education Department as security for the costs of the petition.

10. If the petition is not dismissed under rule 4, the Tribunal shall, as soon as may be after it is appointed, cause a copy of the petition to be served on each opposite party and to be published in the Official Gazette, and may call upon the petitioner to deposit in a treasury or in the Reserve Bank of India in favour of the Secretary to the Government of West Bengal in the Education Department such further amount or to execute a bond for such amount and with such sureties as it may require for the payment of any further costs. At any time within fourteen days after such publication, any other candidate shall be entitled to be joined as opposite party on giving security in like manner either by depositing such amount in a treasury or in the Reserve Bank of India in favour of the Secretary to the Government of West Bengal in the Education Department or by procuring the execution of a like bond. When any amount has been deposited in a treasury, receipt (chalan) showing that such deposit has been male shall be submitted to the Tribunal.

11. (1) Subject to the provisions of this rule every petition shall be enquired into by the Tribunal, as nearly as may be, in accordance with the procedure applicable under the Code of Civil Procedure, 1908 (Act V of 1908), to the trial of suits:

Provided that it shall only be necessary for the Tribunal to make a memorandum of the substance of the evidence of any witness examined by it:

Provided further that the decision to be given by the Tribunal on the conclusion of the enquiry shall not be read out or communicated to any one but shall be forwarded to the State Government as hereinafter provided.

(2) Notwithstanding the provisions of sub-rule (1) of rule 4, the Tribunal may enquire into the compliance of the petition with the provisions of rule 6, rule 7, rule 8 or rule 9.

12. (1) A petition may be withdrawn only by leave of the Tribunal or, if any application for withdrawal is made before the Tribunal has been appointed, of the State Government.

(2) If there are more petitioners than one, no application to withdraw a petition shall be made except with the consent of all the petitioners.

(3) When an application for withdrawal is made to the Tribunal notice thereof fixing a date for the hearing of the application shall be given to all other parties to the petition and shall be published in the Official Gazette.

(4) No application for withdrawal shall be granted if, in the opinion of the State Government, or of the Tribunal, as the case may be, such application has been induced by any bargain or consideration which should not be allowed.

(5) If the application is granted,—

(a) the petitioner shall, where the application has been made to the Tribunal, be ordered to pay the costs of the opposite party theretofore incurred or such portion thereof as the Tribunal may think fit;

(b) notice of the withdrawal shall be published in the Official Gazette by the State Government or by the Tribunal, as the case may be; and

(c) any person who might himself have been a petitioner may, within fourteen days of such application, apply to be substituted as petitioner in place of the party withdrawing, and upon compliance with the conditions of rule 9 as to security, shall be entitled to be so substituted and to continue the proceedings upon such terms as the Tribunal may think fit.

(6) When an application for withdrawal is granted by the Tribunal and no person has been substituted as petitioner in place of the party withdrawing under clause (c) of sub-rule (5), the Tribunal shall report the fact to the State Government.

13. (1) A petition presented under these rules shall abate only on the death of a sole petitioner or of the survivor of several petitioners.

(2) Notice of the abatement of a petition shall be published in the Official Gazette by the Tribunal or, if the petition abates before the Tribunal has been appointed, by the State Government.

(3) Any person who might himself have been a petitioner may, within fourteen days of such publication, apply to be substituted as petitioner and upon compliance with the conditions of rule 9 as to security, shall be entitled to be so substituted and to continue the proceedings upon such terms as the Tribunal may think fit.

14. If before the conclusion of the enquiry into a petition by the Tribunal the opposite party dies or gives notice that he does not intend to oppose the petition, the Tribunal shall cause notice of such event to be published in the Official Gazette, and thereupon any person who might have been a petitioner may, within fourteen days of such publication, apply to be substituted for such opposite party to oppose the petition, and shall be entitled to continue the proceedings upon such terms as the Tribunal may think fit.

15. (1) Where at an enquiry into a petition any candidate, other than the returned candidate, claims a seat for himself, the returned candidate or any other party may give evidence to prove that the election of the candidate so claiming a seat would have been void if he had been the returned candidate and a petition had been presented complaining of his election:

Provided that the returned candidate or such other party as aforesaid shall not be entitled to give such evidence unless he has, within fourteen days from the date of the publication of the petition under rule 10, given notice of his intention to the Tribunal and made the deposit and procured the execution of the bond referred to in rules 9 and 10, respectively.

(2) Every notice referred to in sub-rule (1) shall be accompanied by the statement and list of particulars required by rule 7 in the case of a petition and shall be signed and verified in like manner.

16. (1) Subject to the provisions of this rule, if in the opinion of the Tribunal,—

(a) in the case of an election,—

(i) the election of the returned candidate has been procured or induced, or the result of the election has been materially affected by any corrupt practice, or

(ii) any corrupt practice has been committed in the interest of the returned candidate, or

(iii) the result of the election has been materially affected by the improper acceptance or rejection of any nomination, or by reason of the fact that any person nominated was not qualified or disqualified, for election, or by the improper reception or refusal of a vote, or by the reception of any vote which is void, or by any non-compliance with the provisions of the rules relating to the conduct of elections or by any mistake in the use of any prescribed form, or

(iv) the election has not been a free election by reason of the large number of cases in which bribery or undue influence has been committed or exercised, or

(v) the returned candidate was not eligible for the election,

the election of the returned candidate shall be void;

(b) in the case of an appointment or nomination the person appointed or nominated was disqualified for the appointment or the nomination under section 11 of the Act, the appointment or the nomination of the person appointed or nominated, as the case may be, shall be void;

(c) in the case of any sitting member of the Board, of any Committee or of a Regional Examination Council, the member is disqualified under section 11 of the Act to retain his seat as such member, the seat of the member shall become vacant.

(2) If the Tribunal finds that a returned candidate has been guilty by an agent, other than his election agent, of any corrupt practice, but further finds that the candidate has satisfied it that—

(a) no corrupt practice was committed at the election by the candidate or his election agent, and the corrupt practices found to have been committed were committed contrary to the orders, and without the sanction or connivance, of the candidate or his agent,

(b) the candidate and his election agent took all reasonable means for preventing the commission of corrupt practices at the election,

(c) the corrupt practices found to have been committed were of a trivial and limited character which did not affect the result of the election, and

(d) in all other respects the election was free from any corrupt practice on the part of the candidate or any of his agents,

then the Tribunal may hold that the election of the returned candidate is not void.

(3) If a person (not being entitled so to do) votes more than once at the same election all his votes shall be deemed for the purposes of this rule to be void.

Explanation: In this rule "election agent" with reference to a candidate at an election means an agent of the candidate appointed by him in connection with the election.

17. (1) At the conclusion of the enquiry into a petition, the Tribunal shall give its decision, having regard to the provisions of rule 16 as to whether—

(a) in the case of an election, the returned candidate, or any person who has lodged the petition or claimed a seat as a member of the Board, of any Committee or of a Regional Examination Council, has been duly elected;

(b) in the case of an appointment or nomination, the person appointed or nominated has been duly appointed or nominated, as the case may be;

(c) in the case of a sitting member of the Board, of any Committee or of a Regional Examination Council, in respect of whom the petition has been lodged, the member is eligible to retain his seat as such member.

(2) The decision of the Tribunal shall include an order as to the total amount of costs which are payable and the persons by and to whom such costs shall be paid, and any such order may include an order for the payment to the Advocate-General of the State or a person acting under his instructions, attending and taking part in the enquiry in pursuance of an order of the Tribunal, of costs in respect of that attendance, but shall not include an order for the payment of costs in respect of any other Government expenditure in connection with the enquiry.

(3) The decision of the Tribunal shall be signed by the Judicial Officer constituting the Tribunal and shall forthwith be forwarded to the State Government, who on receipt thereof shall publish the same in the Official Gazette.

18. Where any charge is made in a petition of any corrupt practice in any election, the Tribunal shall record in its decision—

(a) a finding whether a corrupt practice has or has not been proved to have been committed by any candidate or his agent, or with the connivance of any candidate or his agent, and, if so, the nature of that corrupt practice; and

(b) the names of all persons, if any, who have been proved at the enquiry to have been guilty of any corrupt practice:

Provided that the name of any person shall not be so recorded unless he had been given a reasonable opportunity of showing cause why his name should not be so recorded.

[Dy. GM/247, dt 8/63, in Bundle GM/IT/11-1/Vol.II]

P. C. ASTHANA,
Sr. Dy. Accountant-General, West Bengal.

Copy of letter No. F. No. 29/2/63-IT(AI), dated the 3rd August 1963, from the Deputy Secretary to the Government of India, Ministry of Finance, Department of Revenue, addressed to all State Governments.

SUBJECT: *Income-tax—Deduction from salaries during* 1963-64

I am directed to invite a reference to paragraph 3 of this Ministry's letter of even No., dated 25th April 1963. It had been stated therein that for the present till the month of August 1963, the pay for which is due on 1st September 1963, the deduction of additional surcharge from salaries should be allowed to the extent of a sum equal to the maximum amount of deposit as specified in the Compulsory Deposit Scheme Act, 1963, and that a further communication would follow when the deposit scheme was brought into force. The Compulsory Deposit (Income-tax Payers) Scheme has since been finalised by the Government. Although the above Scheme has come into force on the 1st

July 1963, persons who want to take full benefit of reduction in the payment of additional surcharge leviable on their residual income for the financial year 1963-64 will have to make the deposit under the Scheme on the basis of their income for the full year.

2. The Scheme relating to income-tax payers does not impose any obligation on the employer to make any deductions on account of deposits from the monthly salary paid by him to his employees. The employees themselves will be responsible for depositing the amounts under the Scheme at the deposit offices of their choice who will issue separate receipts for each deposit made in addition to the pass-book. The Scheme thus does not envisage any deduction at source of the deposits in the case of employees who are subject to income-tax.

3. The important provisions of the Scheme are mentioned below:

Section 4(4) of the Compulsory Deposit Scheme Act, 1963, provides that where an employee who is an income-tax payer makes a deposit under the Scheme in any financial year, the person responsible for paying the salary shall reduce the amount of additional surcharge included in the tax to be deducted at source from salary under section 192 of the Income-tax Act, 1961, to the prescribed extent, on production of proof of the fact of such deposit having been made. The reduction of additional surcharge admissible is of an amount equal to 3 per cent. of the residual income falling within the first slab of Rs. 6,000 and 2 per cent. of the residual income exceeding the aforesaid slab of Rs. 6,000 or the sum actually deposited under the scheme, whichever is less. Paragraph 4(2) of the Compulsory Deposit (Income-tax Payers) Scheme, 1963, also refers to the deduction from the additional surcharge to the above extent, if the person makes a deposit under the Scheme. Paragraph 5(2) of the Compulsory Deposit (Income-tax Payers) Scheme, 1963, prescribes that a salaried employee may forward a statement to the person responsible for paying the salary declaring the amount he has already deposited under the Scheme and the amount, if any, which he would further deposit before the close of the year. The person responsible for paying the salaries may also require the depositor to produce the pass-book issued to him for the purpose of verification.

4. Every salaried employee who pays income-tax and who wants to take the benefit of reduction in the payment of additional surcharge may be asked to furnish a statement to the disbursing officer/employer, before the pay for the month of September 1963, is drawn, declaring the amount he has already deposited under the Scheme and the amount, if any, which he would further deposit before the close of the financial year ending 31st March 1964. Where such statements are furnished by the depositors, they may be accetped and acted upon as contemplated in paragraph 5(2) of the Scheme and benefit of reduction in the payment of additional surcharge to the full prescribed extent should be given at source in such cases. However, where such statements are not furnished, full additional surcharge should be deducted at source from the salary for the month of September 1963, and onwards till such statement is actually filed. In case such a statement is filed in a later month, the benefit of reduced additional surcharge may be given from that month.

5. In order to verify that deposits are being made as contemplated in the declaration furnished by each employee, the Disbursing Officers/employers should obtain from each such person in the month of February 1964, information regarding the actual deposits made till the 31st January and the further deposits he may make before the 31st March of the year. The information to be obtained may consist of such details as the name of Deposit Office, account number, amount already deposited from the 1st July 1963, till the 31st January 1964, and the amount which may be further deposited before the 31st March 1964. The Disbursing Officer/employer may, for the purposes of verification, call for the pass-book or any other proof of deposit having been made. The benefit of reduction from additional surcharge should be given to the full prescribed extent, taking into account the further deposit proposed to be made before the close of the year. The Disbursing Officers/employers should make a final check in the month of April with a view to verifying whether the deposits have been paid in full by the 31st March. If it is found in any case that the full amount of deposit has not been made before the close of the year, the Disbursing Officer/employer should report such fact to the Income-tax Officer so that steps may be taken by the Income-tax Officer to recover the additional surcharge short collected by taking regular assessment proceedings. To facilitate the work of the Income-tax Officer in this regard the Disbursing Officers/employers should furnish to him a complete list of all such employees who have failed to make before the close of the year the deposit in full, showing the amount declared for deposit and the amount of deposit actually made. Such list should be sent to the Income-tax Officer before the 30th April. Further, in submitting to the Income-tax Officer the Annual Return of Salaries under section 206 of the Income-tax Act, 1961, the Disbursing Officers/employers should specify in the Remarks Column the amount of deposit actually made by each employee in the year under the Compulsory Deposit (Income-tax Payers) Scheme, 1963, so as to facilitate checking of tax calculations.

6. For the purpose of calculating the "residual income" mentioned in paragraph 3(ii) of the letter, dated 25th April 1963, income-tax and super-tax includes surcharge on income-tax and surcharge on super-tax.

7. There is no change in the rates mentioned in the first schedule enclosed with this Ministry's letter, dated 25th April 1963.

PART IC—Awards by Industrial Tribunals and Consumer Price Index

GOVERNMENT OF WEST BENGAL

LABOUR DEPARTMENT

ORDERS

No. 3189-I.R./IR/13L-11/62.—8th August 1963.—Whereas under the Government of West Bengal, Labour Department, order No. 4254-I.R./IR/13L-11/62, dated the 20th September 1962, the industrial dispute between Messrs. Prabasi Press (P) Ltd., 120/2 Acharya Prafulla Chandra Road, Calcutta-9, and their workmen represented by the Press Employees' Association, 249B Bowbazar Street (first floor), Calcutta-12, regarding the issue mentioned in the said order being a matter specified in the second schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Seventh Industrial Tribunal;

And whereas the said Seventh Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an Industrial Dispute between Messrs. Prabasi Press (P.) Ltd., 120/2 Acharya Prafulla Chandra Road, Calcutta-9, and their workmen represented by the Press Employees' Association, 249-B Bowbazar Street (first floor) Calcutta-12. (Case No. VIII-160/62.)

BEFORE THE SEVENTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri S. K. RAY, Judge, Seventh Industrial Tribunal

For the Workmen: Shri Ganesh Nandy.

For the Company: Shri Arun Kumar Dutta, Advocate, with Shri D. K. Das Gupta, Advocate.

AWARD

The above dispute over the issue given in the order of reference and reproduced below was referred for adjudication to this Tribunal by the Government of West Bengal, Labour Department, order No. 4254-I.R./IR/13L-11/62, dated the 20th September 1962.

Issue

Increment.

After service of the notices of the reference upon the parties, they entered appearance and filed their respective written statements regarding the issue in due course. In the order of reference, the concerned workmen were shown as represented by the Press

Employees' Association. After preliminary proceedings and some adjournments, the case was fixed for hearing on 8th July 1963. On that date, a joint petition signed by the Company's Advocate and 37 workmen was filed before this Tribunal. It was stated in that petition that the workmen who were members of the Union named in the order of reference had resigned from the said Union and no worker of this Company remained a member of that Union and so that Union had no locus standi to represent the workmen in the present dispute. It was further stated that the Management of the Press and the workmen were discussing an amicable settlement of the issue under reference and there was every likelihood of an amicable settlement. On these statements, the parties wanted an adjournment of the case to enable them to come to a final settlement. A copy of this petition was made over to the authorised Advocate of the Union named in the order of reference and he was present in court when this petition was filed. Upon this petition, the case was adjourned to 29th July 1963. On 29th July 1963 another joint petition was filed by the Company and their workmen. In this petition, it was stated that the workmen had formed a Union of their own named and styled as Prabasi Press Workers' Union and all workmen of the Company who were members of the Union named in the order of reference, viz., Press Employees' Association, had resigned from that Union and became members of the new Union and the workmen had entered into a settlement with the Company regarding the present issue through their new Union in terms of the Memorandum of Settlement annexed to the petition. Upon these statements, it was prayed by both parties that the Tribunal should pass a "no dispute" award in the case. When this application was taken up for consideration on 27th July 1963, there was no appearance on behalf of the Press Employees' Association. The Company's Advocate and a workman, who was also said to be an office-bearar of the new Union, were present. They prayed for an award in terms of the aforesaid joint petition. I called Shri Anil Das Choudhury, Advocate, who had previously appeared for the Press Employees' Association, and heard him regarding this joint petition. He stated that he had no instruction from the Association and no workman of the Press had approached him regarding this case. He further stated that if the Tribunal was satisfied that the workmen had really made a bona fide settlement of the dispute with the Company, an award might be passed according to law There was no clear opposition to the joint petition of compromise filed by the Company and workmen directly. It is significant that the Union named in the order of reference did not take any step for adjudication of the dispute on merits after a hearing on the aforesaid final date, 29th July 1963. It is also significant that no written objection challenging the correctness and bona fides of the statements made by the workmen in the joint petition, dated 8th July 1963 and the joint petition of compromise dated 29th July 1963, was filed and no claim was made that the joint petition of compromise should not be accepted and given effect to. On 29th July 1963, the position virtually was that the Union named in the order of reference retired from the adjudication proceedings without challenging the joint petitions of 8th July 1963 and 29th July 1963. In view of the aforesaid facts and circumstances, I accept the statements made in the joint petition of 8th July 1963 and the joint petition of compromise on 29th July 1963 as correct and bona fide. I hold that the workmen had completely dissociated themselves from the said Union and formed a Union of their own and they have also come to an amicable settlement of the present dispute with the Company in terms of the Memorandum of Settlement annexed to the joint petition of compromise of 29th July 1963. It is the workmen who are basically parties to the present dispute and as they have come to an amicable settlement of the dispute with the Company dissociating themselves from the former Union and have prayed for an award on the basis of the amicable settlement with the Company, the amicable settlement should be accepted and given effect to notwithstanding that the Union named in the order of reference is not a party to it. I have considered the terms of Settlement. These appear to be quite lawful, fair and reasonable. There cannot, however, be a "no dispute" award as prayed for in the joint petition of compromise, dated 29th July 1963, in view of the fact that the real position is that there has been an amicable settlement in terms of the Memorandum of Settlement annexed to the joint petition of compromise and these terms give some benefits to the workmen by way of fixing an age of superannuation and allowing an ad hoc increment of Rs. 3 per month to each category of workmen. The case is to be disposed of as compromised in terms of the Memorandum of Settlement and an award is to be made accordingly.

In the result, I make a compromise award in terms of the Memorandum of Settlement annexed to the joint petition of compromise, dated 29th July 1963. A copy of the joint petition of compromise with the annexed Memorandum of Settlement is made a part of the award as an Annexure.

S. K. RAY,
Judge, Seventh Industrial Tribunal

(b) Representing workmen.—

Short recital of the case.—The workmen had formed a registered Trade Union under the name and style Prabashi Press Workers' Union and the said workmen submitted a charter of demands containing various items. Joint conferences and discussions were held between the management and the representatives of the Prabashi Press Workers' Union on the various items of the charter of demands as also on the issue which is pending adjudication before the Seventh Industrial Tribunal under Government of West Bengal, Labour Department, Order No. 4254-I.R./IR/131-11/62, dated the 20th September 1962. After full and deliberate discussions between the parties, the parties have come to the following terms of settlement:

Terms.—(a) That the management has agreed to recognise the Union and the Union has assured the management that the Union will try to secure industrial peace by joint conference and discussions as far as practicable and will co-operate with the management in the matter of increasing production.

(b) The management is willing to fix a date for payment of wages after they have been able to shift to a new place of work.

(c) That the age of superannuation is fixed at 58 years for all employees and in exceptional cases extensions may be granted at the discretion of the Company.

(d) That the Union accepts the present position of the Company, namely, that it is running at a loss. The workmen through their Union as a gesture of goodwill accordingly will accept an ad hoc increment of Rs. 3 per month for each category of workmen. The said increment will be given effect from 1st August 1963.

(e) The question of further increment and fixation of wage scales will be reopened after the management is able to secure a new place for its business and when the production or volume of work goes up.

ANNEXURE

In the matter of an industrial dispute between Messrs. Air Survey Company of India (P.) Ltd., 2/1 Jessore Road, Calcutta, and their workmen represented by Aero Employees' Union, Gurudwara Gate No. 2, Calcutta Air Port, P.O. Sultanpur, district 24-Parganas. (Case No. VIII-4/63.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri N. B. CHAUDHURI, Judge, Fifth Industrial Tribunal

Appearances: —

For the Company: Shri Arun Dutta, Advocate, and Shri Dilip Kumar Das Gupta, Advocate.

For the Union: Shri Ramen Banerjee, Advocate.

The Government of West Bengal by its Labour Department Order No. 88-I.R./IR/4L-18/62, dated 5th January 1963, referred to this Tribunal an industrial dispute between Messrs. Air Survey Company of India (P.) Ltd., 2/1 Jessore Road, Calcutta (hereinafter referred to as the Company), and their workmen represented by Aero Employees' Union, Gurudwara Gate No. 2, Calcutta Airport, P.O. Sultanpur, district 24-Parganas (hereinafter referred to as the Union), for adjudication under section 10 of the Industrial Disputes Act.

The only issue referred to this Tribunal for adjudication in this case runs as follows:

Whether the termination of services of Shri P. C. Nandi and Shri S. N. Sahu is justified? To what relief, if any, are they entitled?

AWARD

Both the parties to this dispute have . filed their respective written statements. The workmen's case in short may be stated as follows: The Company in question is engaged in aerial survey work enjoying a virtual monopoly in this particular field. The Company has a few aircrafts also of its own. It carries on maintenance and overhauling work of different types of aircrafts in its own workshop. From 1960, however, various disputes have arisen between the present Company and their workmen. The concerned workmen, Shri P. C. Nandy and Shri S. N. Sahu, happen to be the Assistant Secretary and Treasurer respectively of the Union. These two workmen were lately taking active interest in union activities. So, the Management brought direct and indirect pressure upon them for leaving Company's employment. The Management having failed to achieve its object by pressure, ultimately decided to discharge Shri P. C. Nandy on the plea that he was being released in his own interest by a notice, dated 30th August 1962. Similarly, the Management discharged Shri Sahu also by a notice on the same date. Shri Nandy was a monthly paid mechanic in the Company on and from 10th May 1956 and had been in continuous service since then. He received annual increment every year, and was always engaged in work which was essentially of permanent and regular nature. Shri Nandi never requested the Management for release as alleged. Shri Sahu was no doubt originally allowed to undergo practical training in this Company. But subsequently he was taken as a regular worker and worked as such till the date of his discharge. He also received annual increment during the period of his service and was always engaged in work which was essentially of permanent and regular nature. Accordingly, it is urged that the termination of services of these two workmen is illegal, irregular and mala fide.

The Company's case on the other hand may be briefly stated as follows: It may be mentioned at the very outset that the Company has filed a very very long written statement and I need not recount here the allegations made therein in all details. The Company denies that there was any mala fides or spirit of victimisation in the termination of services of the two workmen concerned. It is urged that Shri Nandi was appointed purely as a temporary hand with the express stipulation that he would be liable to be discharged at any time without any notice whatsoever. Similarly, it is urged that Shri Sahu was originally allowed to work here as an unpaid apprentice for receiving practical training in connection with A.M.E. Examination held by the Director-General of Civil Aviation. Some time later Shri Sahu was given a temporary employment at his own request in order to facilitate his further training after he had been unsuccessful once or twice in the said A.M.E. Examination. For some time the volume of work of this Company was going down and the financial position also was going from bad to worse, and the Company was feeling the necessity of reducing its economic burden. Accordingly, Shri Nandi and Shri Sahu were released from their temporary appointments in terms of contract of service with them. But some ex-gratia payments were made to them, even though they were not entitled to any compensation whatsoever as of right. At a later stage, the Company filed an additional written statement alleging that the present dispute was only an individual dispute, and not an industrial one, in view of the fact that the Union concerned is not the Union of the workmen of the present Company, its membership being open to the workmen of other industries also.

Other facts will appear from the body of the award that follows:

Decisions

The only point for consideration is whether the termination of services of Shri P. C. Nandi and Shri S. N. Sahu is justified. The contention of the management is that these two workmen were lately temporary employees of this Company and their services were terminated simply in terms of their contract of service. It is denied that they were dismissed or retrenched with any mala fide intention as alleged by the workmen. The contention of the workmen, however, is that these two workmen were always employed in work of permanent nature and that their services were dispensed with lately with a mala fide intention, simply because they were taking active part in Union activities. These are no doubt questions of facts. Before I look into these questions, I may incidentally refer to a preliminary objection which was raised on behalf of the Company in an additional written statement but not pressed at the time of hearing. It was alleged therein that this was not an industrial dispute at all, and that this Tribunal had no jurisdiction in the matter. However, this objection has not been pressed at the time of hearing, and the reason for not pressing it is not very far to seek. It is a fact that the Union which has raised this dispute is not a Union of the workmen of this particular Company alone. But it is not stated categorically anywhere in the written statement that the workmen of this Company are not members of this Union or that the workmen of this Company or a large section of the workmen have not sponsored or espoused this dispute. The allegation of the Company in this connection is rather vague and evasive. On the contrary, it is sufficiently in evidence that the workmen of this Company not only took up the cause of these two workmen, but once kept the Chief Engineer confined for a considerable time as a protest against this management action and on a demand of their reinstatement. It may be that formerly there was a Union exclusively for the workmen of this Company and it is no longer there. That Union having failed to exist, the workmen might have joined this Union concerned, and there is nothing improbable in it. The said conduct of the workmen after the termination of services of Shri Sahu and Shri Nandi rather shows beyond doubt that the workmen very much took up the cause of these two aggrieved workmen. The conciliation proceedings also were conducted by this Union without objection. So, there is no doubt that the dispute before me is actively supported by the workmen of this Company, and thus it is an industrial dispute and this Tribunal has every jurisdiction to adjudicate upon it. So, the preliminary objection fails not only due to waiver but also on merit.

The management concedes that these two workmen were not dismissed or discharged for any fault or misconduct. Even if these two workmen had any

fault at any time, those offences were not made the ground or reason for their discharge or termination of services. I think there is no sufficient material on record to show that their services were terminated with a mala fide intention with a spirit of victimisation only under the plea of bona fide exercise of management right in terms of contract of service. Shri Nandi (P.W. 1) tries to say that the Managing Director once held out a treat to them when they went to him on a deputation. Admittedly, Shri Mulherkar was personally present at the time of this deputation and he denies that there was anything of the kind. This story of the workmen appears to be highly improbable and carries no conviction with me. Rightly or wrongly, the management terminated the services of Shri P. C. Nandi and released him from his temporary post with effect from 1st September 1962 by the letter Ext. A-3. Similarly, the services of Shri S. N. Sahu also were terminated with effect from the same day by the letter Ext. A-9. I shall deal with their cases separately hereinafter in the light of evidences on record.

Shri P. C. Nandi was given a temporary appointment as a mechanic by a letter, dated 18th May 1956, with a clear stipulation that this appointment may be terminated at any time without notice. The terms and conditions of this employment were evidently accepted by Shri Nandi and he actually worked as a temporary employee till last. It is sufficiently clear from evidence that the volume of work or business of this concern was gradually going down and during the relevant period the financial condition of the Company was also going from bad to worse. Be that as it may, the fact is that lately the management decided to reduce its staff and accordingly terminated the services of some temporary employees including Shri Nandi. This termination is challenged from two stand points. It is alleged that Shri Nandi never wanted a release and so there was no question of his release in his own interest. Shri Nandi denies that he had any business of his own. Shri Nandi's father and brother no doubt carry on some profession. But there is no positive evidence to prove that Shri Nandi has or had any business of his own. Be that as it may, the fact remains that there was termination simpliciter of the temporary services of Shri Nandi—whether Shri Nandi wanted a release or not, or whether it was to his own interest or not. Simply because there is no evidence to prove that Shri Nandi had a business as stated in the letter of termination of service, I think, there cannot be any positive presumption of mala fides or victimisation. If Shri Nandi was a temporary employee and if his services were terminable with or without notice in terms of the very contract of service or in terms of the standing orders, I, think, no question of mala fides arises. There was no question of misconduct or dismissal therefor. So, there was no question of any enquiry or hearing before his termination of service.

The next objection taken against this termination of service is that Shri Nandi was really a permanent employee and the management had no right to terminate his services summarily without notice. In the written statement, it is simply alleged by the Union that Shri Nandi had been in continuous service since 1956 and continued to receive annual increments every year and had always been engaged in work which was of an essentially permanent and regular nature unlikely to be finished within a limited period. Thus it is celar that the workman did not positively assert that he was expressly confirmed or absorbed as a permanent employee or that he was treated as such by the employer. Though appointed as a temporary hand, his services were no doubt continuous for about six years. He might have been allowed increments also in his emoluments, but that alone does not prove that he automatically became permanent. Admittedly, he was never confirmed or made permanent in writing. He was not appointed on probation also, and so there was no question of his confirmation. His temporary post was never made permanent in writing. It is urged that the work he was doing was permanent in nature. He was appointed as a mechanic and in an aircraft overhauling or maintenance department the work of a mechanic will always be there. In fact, there may be many a mechanic there doing this or that work or job. But that does not mean that any temporary mechanic appointed there will be automatically made permanent, because the work of a mechanic in such a department is always there. For various reasons, there may arise necessity for a temporary mechanic in such a department. There may be rise or fall in the volume of work. So, I am unable to find that the very nature of Shri Nandi's work gave him a permanent status as an employee, even though the Company employed him expressly as a temporary hand. It may be that so long he was there, there was no dearth of work for him. But it is for the management to decide how long a particular temporary hand will be retained or required. It is alleged that on his complaint, the Chief Engineer once assured him that he was already getting all the facilities of a permanent workman. It is not clear from his deposition what are the facilities he is referring to. A temporary employee also may enjoy usual or normal leave and holidays. He may be allowed increments also at intervals. But that does not mean that he was treated as permanent. He has not been able to show any facility which cannot be enjoyed by a temporary employee but can be enjoyed by a permanent hand only, and yet he was allowed to enjoy it. So, his permanency cannot be deduced also from the conduct of his employer. He was no doubt kept as a temporary hand for about six years. However unkind this may appear to one, the fact remains that no employee appointed in or after 1956 has been actually made permanent and Shri Nandi himself admits this. So, it does not lie any longer in his mouth to say that he was made permanent in the meantime by lapse of time alone. In fact, even in the charter of demands lately submitted, the workmen actually demanded that the temporary workmen should be made permanent. However just their demand may be, the fact remains that the temporary workmen were not made permanent. Thus there is no escape from the conclusion that Shri Nandi was really a temporary employee in the eye of law throughout his service period—a period of about six years. According to the terms of employment or contract of service as well as the conditions of employment in the Company's standing orders, temporary employees are liable to be discharged without notice. Such termination is termination simpliciter without imputation of any fault and without any ignominy.

It appears that such a termination does not come within the perview of section 33 of the Industrial Disputes Act and there is no question of violation of the section even though a reference under section 10 of the Act was pending before the Seventh Tribunal at the relevant time. It may be urged that Shri Nandi being given a temporary appointment for indefinite period and having served the Company continuously for six years or so, his termination of service is tentamount to retrenchment within the meaning of section 2(OO) and 25F of the Act, and he is thus entitled to notice as well as compensation under section 25F of the Act. Assuming that it is virtually a case of retrenchment, it may be pointed out that he was given at the time of his release four months' salary as compensation. Under section 25F he might claim one month's salary in lieu of notice and three months' salary as retrenchment compensation. Thus he has got the full amount of compensation according to law also. It is next urged that one Shri Dey Sarkar, a temporary hand, was appointed after the release of Shri Nandi and Shri Nandi was not given an option for that appointment on re-employment. But from the deposition of Shri Mulherkar, the Chief Engineer, it is clear that Shri Dey Sarkar is not the man who is doing Shri Nandi's work. No new fitter has been appointed in place of Shri Nandi. It is the common case of all the parties that the Company overhauls or repairs different types of aircrafts and all maintenance mechanics or engineers are not entitled or competent to handle or work on all types of aircrafts or engines thereof. Thus the job of all fitters or mechanics cannot be same or identical. Each type of aircraft may require a special training before one becomes competent to do its overhauling or maintenance work. So, there is nothing to show that section 25F or 25H of the Act has actually been violated by the management in terminating the services of Shri Nandi. Even the compensation paid was offered along with the order of dismissal and so the spirit of law has not been violated. So, in any view of the case, Shri Nandi is not entitled to any relief in this case.

The career of Shri S. N. Sahu in this Company is more chequered than that of Shri Nandi. Originally, Shri Sahu was a student of Mitra's Air Technical Institute at Dum Dum for two or three years. It appears that he completed his theoretical training there and got some sort of certificates also therefrom. But that training alone was not sufficient for sitting for A.M.E. Examination held under the Director-General of Civil Aviation. For qualifying himself for such an examination, he was to undergo practical training for at least one year in a recognised aircraft engineering shop. Accordingly, Shri Sahu, in order to qualify himself for A.M.E. Examination, applied for apprenticeship in this Company and he was originally taken as an unpaid apprentice in 1959 and was given facility to gain experience in aircraft maintenance (vide Ext. A-4). It also appears that along with an application for permission to sit for the examination, the candidate has to submit a certificate of fitness from the Chief Engineer concerned. Shri Sahu was sent up for such examination more than once. He failed to come out successful in the A.M.E. Examination held in 1960. But he wanted to avail a fresh chance of appearing at the examination and was eager to continue his practical training as before in this Company. So, on his application (vide Ext. A-5) and to facilitate his training and also to mitigate his hardship to some extent, he was given a temporary appointment on his request as a fitter mechanic for six months only in July 1960 (vide Ext. A-6). He was sent up for examination again in 1961, but he failed this time also. It further appears that for some reason or other his temporary appointment was extended for different short periods more than once thereafter, and he was thus given fresh chances for appearing at the A.M.E. Examination. But unfortunately Shri Sahu could not take full advantage of it and in the year 1962 he figured so miserably in the oral test held by the Company's Chief Engineer that he could not be sent up even for the examination. Thus the prospect of Shri Sahu's obtaining an A.M.E. Diploma under D.G.C.A. evaporated for the time being. Shri Sahu, however, continued in his temporary appointment for some time thereafter also. The Company saw no reason for giving him a permanent appointment even though like others he also might have agitated for permanency. In his deposition Shri Sahu tries to allege that the Chief Engineer of the Company once told him that he was already made permanent. But the Chief Engineer denies it and I am unable to believe that Shri Sahu was ever made permanent as alleged. I may simply observe that my remark in respect of Shri Nandi's claim of permanency apply mutatis mutandis to Shri Sahu's case also. It also appears that the Managing Director once sent a recommendation letter to Shri S. N. Halder of State Transport Department for securing an appointment there for Shri Sahu, if possible. Shri Sahu saw Shri Halder and the result is not yet known. This shows that the Management had no animus or ill will against Shri Sahu as alleged. The fact is that Shri Sahu originally appointed as an apprentice trainee only, was given a temporary appointment lately for a fixed period with the clear stipulation that he would be liable to discharge at any time without notice. The period of his appointment was extended from time to time expressly or impliedly until his temporary services were terminated with effect from 1st September 1962. He was not actually dismissed or discharged for any offence. It was a case of termination simpliciter apparently in accordance with the terms of his appointment as well as conditions of service embodied in the standing orders. He has been paid two week's salary only as ex-gratia payment at the time of termination of his service. It, however, appears that he served this Company continuously for about two years and two months as a temporary employee. So, his termination is tantamount to retenchment with the meaning of section 2(OO) and 25F of the Industrial Disputes Act. If his termination be treated as retrenchment within the meaning of section 25F, he is no doubt entitled to one month's pay as compensation. Of course, there is no question of his reinstatement any longer. The only question is whether he is entitled to any further amount as compensation in view of the fact that he worked for more than two hundred and forty days continuously, and that there was no specified date lately for the termination of his service. The definition of the word "retrenchment" is wide enough to cover his case also. Even though he was not entitled to any notice in terms of his letter of appointment, section 25F entitles him to one month's notice; because after several extensions of period of his temporary employment, no further

fixed period was stipulated for the purpose. In the absence of a specified date for termination, one month's notice becomes unavoidable. In addition to these, he is entitled to fifteen days' average pay for each year of completed service. He has served for full two years. Thus Shri Sahu was entitled to at least two months' pay as compensation. But he was offered and paid only two weeks' pay only. Payment of retrenchment compensation is a condition precedent and this condition was not fulfilled. So, the order of termination was not valid or proper technically. However, I think, in the circumstances of the case, Shri Sahu does not deserve reinstatement as he was only a temporary employee. However, he must be sufficiently compensated. But it has not been proved what the loss, if any, he has suffered in this connection. So, considering everything—I direct that the employer shall pay a further compensation equal to four months' pay to Shri S. N. Sahu within one month of the publication of this award. He is not entitled to any other relief.

This is my award.

AWARD

An industrial dispute between Messrs. J. N. Ray, owner of Bus No. WBV-48, and one of their workmen represented by Bus Workers' Union, was referred to the First Labour Court by the Government of West Bengal, in the Labour Department by their Order No. 5111-I.R./IR/4L-56/58, dated the 2nd December 1958. During the pendency of the industrial dispute before the said Labour Court complaints under section 33A of the Industrial

Disputes Act were made to the said Labour Court against the said Company by (1) Shri Pankaj Kumar Bhattacharji, (2) Shri Mantu Lal Dutta, (3) Shri Yusuf Khan, and (4) Shri Dulal Chandra Karmakar, workers of the said Company. The aforesaid industrial dispute was adjudicated by the First Labour Court and an award was made disposing of the dispute. But the complaints remained pending and in the meantime the said First Labour Court was abolished by notification No. 3508-I.R./IR/3A-9/59, dated the 11th July 1960. So in exercise of the power conferred by clause (c) of sub-section (i) of section 10 of the Industrial Disputes Act, the Government of West Bengal in the Labour Department by their order No. 4450-I.R./IR/4L-2/60, dated the 18th July 1961, referred the above complaints to this Court, i.e., the Second Labour Court for adjudication.

A preliminary legal objection has been raised by Shri K. K. Maitra, Advocate appearing for the Company, questioning the jurisdiction of this Court to adjudicate upon the complaints referred to it, on the grounds, inter alia, that the order of reference of the Government of West Bengal is bad in law and incompetent to inasmuch as it has not said anything as to the existence of an industrial dispute between the parties or to any matter appearing to be connected with or relevant to the dispute while referring the complaints to this Labour Court for adjudication. So I have been called upon to decide first of all as to whether I have any jurisdiction to adjudicate upon the complaints referred to this Court because of absence of any mention in the order of reference as to the existence of an industrial dispute between the parties or as to the present complaints being connected with any industrial dispute or relevant to an industrial dispute.

On a careful perusal of the order of reference I find that the only industrial dispute that existed between the Company and one of its workers has since been disposed of by the First Labour Court and the complaints that have been referred to here were kept pending over there. That order of reference does not say clearly as to whether there is any apprehension of an industrial dispute between the parties or that the complaints appeared to be connected with the dispute that was existing then or that the complaints are in any way relevant to the said dispute. Section 10(i)(c) of the Industrial Disputes Act provides that where the appropriate Government is of opinion that any industrial dispute exists or is apprehended it may refer the dispute or any matter appearing to be connected with or relevant to the dispute to a Labour Court for adjudication. The condition precedent of any such reference under the above section is that what is referred to must be an industrial dispute or that there must be some apprehension of such dispute. The condition precedent has not been complied with in the order of reference. The learned Advocate for the workers has, however, contended that a complaint under section 33A of the Industrial Disputes Act has been embodied in the Second Schedule to the Industrial Disputes Act, giving jurisdiction to a Labour Court for adjudication and that the instant complaints are in the nature of an industrial dispute which the Court irrespective of the order of reference can adjudicate upon having proper jurisdiction. But I cannot persuade myself to accept the contention of the learned Lawyer for the workers. I am here concerned more with the order of reference than with any other matter when I have been called upon to decide the question of jurisdiction arising out of the order of reference. In my considered opinion the Government order of reference ought to have contained in it their opinion as to existence of an industrial dispute or apprehension of the same and for this omission the order of reference must be held to be one which is definitely bad in law, and incompetent too. Of course this Court cannot call in question any person of the Government in saying that a labour dispute exists between the parties. But when there is no such opinion of the Government embodied in the order of reference as enjoined by the provision of section 10(i)(c) of the Industrial Disputes Act it can be definitely said that the instant order of reference has conferred any jurisdiction upon me to adjudicate in the matters under section 33A of the Industrial Disputes Act. I could of course assume jurisdiction to go into the merits of the case had these complaints been transferred to this Court in an appropriate manner. But here it is not. In this connection the lawyer for the Company has referred me to a case of this court decided by my predecessor in office Shri H.R. Deb which has been published in the "Calcutta Gazette", Part II, of October 18, 1962, at page 2947. Of course, that is not a precedent I am to be guided by. But the finding of my predecessor in that similar case as to want of jurisdiction can be taken into consideration and in the circumstances of the case I have substantial agreement with this finding referred to above and I hold that the order of reference in question has conferred no jurisdiction upon me to adjudicate in the matter of complaints referred to above.

In this connection it would not be out of place to say that the instant complaint do not show anything that the complaints under reference are in any way connected with the industrial dispute that had already been disposed of by an award by the then First Labour Court here. Therefore, considering the different aspects of the matter I definitely hold that I have no jurisdiction to adjudicate upon the complaints of (1) Shri Pankaj Kumar Bhattacharji, (2) Shri Mantu Lal Dutta, (3) Shri Yusuf Khan, and (4) Shri Dulal Chandra Karmakar purported to have been referred to me under section 10(i)(c) of the Industrial Disputes Act by the Government of West Bengal in the Labour Department.

In the result, I cannot enter into the merits of the complaints and, therefore, I refrain from going into the merits of the cases of the four workers named above.

DEPARTMENT OF HEALTH

Public Health

NOTIFICATION

No. P.H./4750/2R-49/63.—29th August 1963.—Whereas the Governor is satisfied that the district of Midnapore excluding the municipal areas is threatened with an outbreak of small-pox;

Now, therefore, in exercise of the power conferred by section 2 of the Epidemic Diseases Act, 1897 (111 of 1897), the Governor is pleased to prescribe the following temporary regulations for the prevention and control of small-pox and for the medical inspection, isolation, observation and surveillance of persons suffering from, or suspected of being infected with, small-pox in the said district for a period of six months:—

TEMPORARY REGULATIONS FOR THE PREVENTION AND CONTROL OF SMALL-POX

1. In these regulations unless there is anything repugnant in the subject or context,—

(*a*) "Health Officer" means the Health Officer of the district appointed by the State Government, the Chief Medical Officer of Health of the district, or the Subdivisional Health Officer of any of the subdivisions of the district within their respective subdivisions;

(*b*) "Sanitary Inspector" means a Sanitary Inspector appointed by the State Government;

(c) "Small Pox" means any disease accompanied by an eruption of vesicles or pustules;

(d) "Patient" means a person suffering from or suspected to be suffering from small-pox;

(e) "Medical practitioner" means any person practising the medical profession.

Notices

2. If in any case the Health Officer considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of small-pox he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reasons why such work has been carried out.

3. If any measure which the Health Officer has by a notice issued under these regulations, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the Health Officer shall be entitled to carry out the measure.

Costs and compensation

4. (1) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the State Government except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by such person:

Provided that where the conditions which led the Health Officer to pass such an order, are not attributable to any act or default of the person in possession of the property, the State Government may pay to such person the whole or a part of the expenses incurred by him in carrying out the order.

(2) The State Government may recover all expenses incurred by the Health Officer in carrying out the measure under regulation 3 from the person or persons to whom the notice was originally issued.

5. The State Government shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

Provided that no person shall receive any compensation for anything done or suffered under these regulations if he has failed to carry out an order issued under these regulations. He shall not direct the patient to be removed from the house unless it is, in his opinion, impossible to make proper arrangements for his isolation therein within the time specified in the order and to the satisfaction of the Health Officer.

Location of disease

6. When a case of small-pox occurs in a house, the nearest male relative in attendance upon the patient, or in the absence of any such relative the occupier of the house, or if the occupier be the patient, the senior male inmate of the house other than the patient of the house shall, within twenty-four hours of the onset of the disease, give information regarding the occurrence of such case either personally or in writing or by means of the chaukidar or other village watchman or headman to the nearest Sanitary Inspector.

7. (1) Every medical practitioner called in to attend upon any case of small-pox shall forthwith give notice of the case by a special messenger to the nearest Sanitary Inspector or to the Health Officer by post and the cost of such messenger in each case shall be defrayed by the State Government.

(2) The doctor-in-charge of a hospital or a dispensary within the district shall forthwith give notice of any case of small-pox brought to such hospital or dispensary for treatment to the nearest Sanitary Inspector by a special messenger and to the Health Officer by post, and the cost in each case shall be defrayed by the State Government.

8. Thana officers shall supply to the Health Officer such periodical returns of cases of small-pox as he may from time to time call upon them to furnish.

9. The Health Officer or a Sanitary Inspector may examine any person who is, or suspected to be, suffering from small-pox or who, in his opinion, may be infected with or likely to spread small-pox.

Isolation of patients

10. When the Health Officer or a Sanitary Inspector considers that the isolation of any patient is a precaution necessary for the protection of the neighbouring population, he shall order the patient to observe isolation and may order the nearest relative in attendance on the patient, or the occupier of the house in which the patient is staying, to arrange for the isolation of the patient in such a manner and for such a time as may be approved by the Health Officer.

11. The Health Officer or a Sanitary Inspector may order that any person, who has been in contact with a person found to be suffering from small-pox, shall be segregated for a period not exceeding a fortnight in a manner and in a place to be approved by the Health Officer.

12. The Health Officer or a Sanitary Inspector may order that any person who has been in contact with a person found to be suffiering from small-pox shall be vaccinated or re-vaccinated within a time to be specified in the order.

13. No person shall enter any place wherein a patient is isolated under regulation 10, without the permission of the Health Officer or a Sanitary Inspector.

14. When a patient has been removed from a house for isolation under regulation 10, the State Government shall provide for him free of charge a suitable place, with necessary attendants, diet, etc.

15. No person, who is or has been suffering from small-pox, shall leave the place where he has been staying until he has received from the Health Officer or a Sanitary Inspector written permission to do so.

16. No person while suffering from evident symptoms of small-pox or in the convalescent state of the disease with scabs of pocks on his body shall expose himself in any street, road, public place, shop, bazar or any place used in common by persons other than members of the family or household to which such infected person belongs or shall move from place to place unless he is proceeding to a hospital for admission and treatment.

17. The Health Officer or a Sanitary Inspector authorised by the Health Officer in writing in that behalf may, during the prevalence of any outbreak of small-pox, order that any bazar, shop or other public place shall remain closed for such time as may appear to him to be necessary and may forbid the holding of any fair, *mela*, or other gathering to which people from several villages commonly or periodically resort.

Miscellaneous

18. The Health Officer or a Sanitary Inspector may require any person to allow to be carried out by such agency and within such time as may be specified in the order, such measures for the disinfection of any premises in the occupation of such person or for the disinfection or destruction of any of his personal effects, as the said officer or inspector may consider necessary.

19. The Health Officer or a Sanitary Inspector may direct the owner or occupier of any premises to take steps to have vaccinated or re-vaccinated within a time to be specified in the order any person residing on such premises and under the control of such owner or occupier if the Health Officer is of opinion that such person has been in contact with any one suffering from small-pox.

20. The Health Officer or a Sanitary Inspector may forbid any person who has been a patient or who has to his knowledge been in contact with a patient to act as vendor of any article for such period as may be specified in the order.

21. No person shall sell any article which has been in contact with a patient until it has been disinfected to the satisfaction of the Health Officer or a Sanitary Inspector.

22. The Health Officer or a Sanitary Inspector may issue general orders that by a specified date certain sanitary precautions of a simple nature, such as lime-washing of houses, clearing of latrines or the removal of filth or rubbish shall be carried out to his satisfaction.

23. The Health Officer or a Sanitary Inspector may prohibit persons from retaining or selling clothes taken from the bodies of persons who have died of small-pox and may cause any such clothes to be destroyed.

24. No person shall carry or permit to be carried in a public conveyance a patient except in the case where a patient is carried to a hospital with the following precautions against spreading the disease, namely:—

(*i*) that he is so well covered that the discharge and scabs from the lesions do not come directly into touch with the body of the conveyance;

(*ii*) that he is taken to the hospital direct and the conveyance does not halt at any other place for transacting any business; and

(*iii*) that excepting one or two attendants for the patient no other person is carried in the conveyance at the same time.

25. No person shall expose in any street, shop, bazar or any public place any clothing, bedding or other article which has been in contact with a patient or shall cause or suffer such articles to be carried in any public conveyance, but nothing in this regulation shall apply to a person who transmits any such article for the purpose of having the same disinfected with the following precautions against spreading the disease: —

(*i*) the article is so well covered with a cloth soaked in strong solution of formalin (1 in 400), lysol (1 in 500), izol (1 in 500), or of saponified cresol (1 in 160), that it does not come directly in touch with the body of the conveyance;

(*ii*) the article is taken to the disinfecting station direct and the conveyance does not halt at any other place for transacting any business; and
